

Fruit Salad

1 large can fruit cocktail (approx. 29 oz.) any variety
1 can pineapple tidbits 17 oz.
2 cans mandarin oranges 6 oz. each
(any other small cans of desired fruit: cherries, grapes, raspberries, etc.)
1 8 oz. container sour cream (use less to taste)
2 cups miniature marshmallows

Drain fruit in colander, set over large bowl.
In a separate large bowl or casserole dish, mix sour cream and marshmallows.
Place both bowls in refrigerator for several hours.
When fruit is well drained and sour cream mixture set, remove from refrigerator.
Stir sour cream mixture to break up marshmallows.
Stir in fruit.

This recipe works great with any combination of canned fruits. I don't particularly like fruit cocktail, so salad pictured here is just pineapple tidbits, mandarin oranges, and cherries with the marshmallows & sour cream.
