

My Favorite Tuna Salad

1 - 12 oz can Tuna, drained
4 - Eggs, hard boiled
1/2 of a small onion
Salt and Pepper to taste
a scoop of Mayo

After boiling and peeling the eggs, chill them in ice water. When chilled, grate them with a box grater. Dice the onion small. Add the eggs and onion to the tuna. Season with salt and pepper. Mix well. Taste, tweak seasonings if necessary. Then add a scoop of Mayo to get the consistency you like.
